**FOR IMMEDIATE RELEASE**

***Tableau d'Art Inaugural Fundraising Event***

**Safety Harbor, FL** – The inaugural *Tableau d'Art* event will take place on Thursday, March 8<sup>th</sup>, 7:00pm, at the Safety Harbor Resort and Spa. This evening of the arts will benefit the Safety Harbor Public Library Foundation and funds raised will go toward the library's expansion project. The Foundation's vision is to provide a solid "foundation" for the Safety Harbor Public Library for years to come, making the library a strong institution within the city, fostering a love of reading, learning, and a sense of community.

The GFWC Clearwater Junior Woman's Club and the Safety Harbor Public Library, together with presenting sponsor Safety Harbor Resort and Spa, will present a unique arts experience. Guests will enjoy hors d'oeuvres, musical entertainment, an exclusive performance by the POSH theatre troupe, and a surprise guest appearance. Live and silent auctions will feature artwork, collectible signed novels, sports memorabilia, and many other exciting items.

Auction items will include autographed books by nationally acclaimed authors Stephen King, Barbara Taylor Bradford, Lillian Jackson Braun, Catherine Coulter and others. Library Director Lana Bullian has contributed a favorite painting from her family's collection, "Main Street" by local artist, Kathy Fessenbecker. Thanks to the Friends of the Library and gifted local artist Stephen Malkoff, guests will have *two* opportunities to own limited edition, numbered prints of Malkoff's "Baranoff Tree". In keeping with the *Tableau d'Art* theme, artists throughout Pinellas and Hillsborough counties have donated decorated tables and related items.

**Tickets are available for \$50 per person at the Safety Harbor Library or by calling (727) 724-1525 x222. For those who cannot attend, tax deductible donations can be made directly to the Foundation.**

"Many already realize the benefits and resources found within our local libraries," said Library Director Lana Bullian. "The presence of libraries in our communities enriches and nurtures those communities through the services they provide to all."

From its earliest days, the General Federation of Women's Clubs has been a strong supporter of our nation's libraries. Clearwater Juniors are proud to continue that tradition with the *Tableau d'Art* fundraising event.

**About GFWC Clearwater Junior Woman's Club (CJWC)**

For over 50 years, CJWC members have found many ways to uphold the club's goals of community service and enhancing the lives of others through volunteer service while developing leadership skills and lasting friendships. CJWC is a member of the General Federation of Women's Clubs International, which has for more than a century encouraged women to improve their skills, expand their rights, and apply their abilities to society's problems.

Through the Helping Hands Community Grants and the Mary Clark and Joseph Clark Memorial scholarship program, CJWC has contributed over \$311,000 to local students and charities. Most of the money is raised at the club's annual Christmas Under the Oaks arts and crafts show, held each November at Coachman Park. Clearwater Juniors volunteer hundreds of hours each year to help organizations and projects such as Safety Village, Women on the Way, the Room that Love Built, Operation Smile, Homeless Emergency Project, Relay for Life, One Voice for Children, Safety Harbor Neighborhood Family Center, Wimauma, Parent University, Coastal Clean-Up, Hugh O'Brian Youth Leadership, and local schools, emergency services, and community events.

**About the General Federation of Women's Clubs (GFWC)**

GFWC Clubwomen contribute an average of 13 million hours and \$37 million each year through 168,400 local club projects. Over its century-plus history, the General Federation of Women's Clubs accomplishments include establishing 75 percent of the public libraries and the first traveling libraries in the country, helping to establish kindergarten as part of public schools, participating in enactment of child labor and protection laws, playing a significant role in the passage of the Pure Food and Drug Act of 1906, and working for the establishment of a National Gallery of Art. GFWC and its member clubs continue to support numerous programs in the areas of education, preserving natural resources, encouraging healthy lifestyles, working on behalf of the elderly and people with disabilities, advocating for issues of concern to women, children, and families, and supporting participation in the arts.
